

## HPU100 Series Discontinue Announcement

Dec. 1, 2017

Dear Sirs/Madams,

Thank you very much for choosing HPU100 series as your ideal switching power supply.

Sinpro periodically re-evaluate our product lines and have decided to discontinue HPU100 series and will remove these series from official website on 2018/06/30.

Current safety certification status of HPU100 series is showed below; we will not update and maintain their certificates from now on. For the new projects, we recommend you HPU101 as the alternative.

If you still have demand on HPU100 series, we can offer it for old projects. However, please understand our certification maintenance policy before placing orders and we will automatically remove the safety mark on label if it is expired.

### • HPU100 Safety Certificate List

Certificate	Certificate Standard	Expiration Date
CB	IEC60601-1:1988+A1+A2	-
